Platform Chile is the Leader in Latin America when it comes to connectivity & tech infrastructure, providing a mature platform for complex, value-added business processes. Our advantageous time zone makes it easier to do business in real-time with the USA and the rest of LatAm.

Projection Chile is a Trendsetter for new technology. We have the largest number of early adopters in the world, leading the region in online purchasing & usage of the latest technologies. With more free trade & double taxation agreements than anyone on the planet, your company can access 86% of the global GDP with special trade tariffs.

Talent Chile records the highest productivity per capita in LatAm (ILO, 2017). More than 50,000 graduates per year ready to work for the global services industry. Proud of being a 'Talent Magnet', 16 of our universities ranks among the best 50's in the region. Our public accelerator Start-Up Chile leads LatAm & outstands amongst the most innovative companies worldwide, alongside giants like Amazon, Airbnb, Apple, Buzz Feed & Facebook. (Fast Company, 2017)
