NOW is the time to Invest in Chile

More than 100 attractive Cu / Fe / Au projects of the National Mining Company available for Joint-ventures.

YAMANAGOLD  **Teck** GLENCORE  

Be our next strategic partner!

Location When it comes to metals Chile has got it: the world's biggest producer of copper (27%); the largest lithium reserves (54%) with the highest quality and most competitive production costs.

Experience We are leaders in the mining sector: Our competitive edge and solid economic foundations makes us the 4th country globally in terms of company exploration budget (Cochilco/SNL Metals & Mining 2017)

Vision of Future Chile is the Latin American Hub: exporting technology mining services to 39 markets. We have signed more Free Trade Agreements that anyone on the planet; that means special trade tariffs with 86.3% of the global GDP.

By setting up operations in Chile, you will be part of a forward-looking, integrated and sustainable mining sector, operating inside a mature & stable ecosystem that includes all of the sector's global players.

How we can
help you

Let's Make your next project happen!

InvestChile is the government agency responsible for promoting Chile in the global market as a destination for Foreign Direct Investment. We will provide you with tailor-made, individually focused assistance to facilitate the setting up of your next business operation in Chile.

Request a meeting with our team

to explore more about the regional and local mining industry:
