InvestChile

# NOW is the time to Invest in Chile

Mining projects pipeline equivalent to more than US\$ 50 billion. Double, if neighbouring countries are considered.

**KOMATSU FINNING ABB**  **SIEMENS SANDVIK**

## Be our next strategic partner!

**Location** When it comes to metals Chile has got it: the world's biggest producer of copper (27%); the largest lithium reserves (54%) with the highest quality and most competitive production costs.

**Experience** Chile is the Latin American Hub, exporting mining technology & services to 39 markets. We have signed more Free Trade Agreements than anyone on the planet; that means special trade tariffs with 86.3% of the global GDP.

**Vision of Future** By setting up operations in Chile, you will be part of the new trends in green mining, operating inside a market that includes all of the sector's global players.

How we can  
help you

## Let's Make your next project happen!

**InvestChile** is the government agency responsible for promoting Chile in the global market as a destination for Foreign Direct Investment. We will provide you with tailor-made, individually focused assistance to facilitate the setting up of your next business operation in Chile.

## Request a meeting with our team

to explore more about the local and regional mining Industry:

- Technical challenges & profitable investment opportunities for auxiliary services/products
  1. Underground mining: machinery for large-scale underground mining ; automation and robotization.
  2. Mining tailings: recovery of elements of value; efficient high-volume separation of solids and liquid.
  3. Open-pit mining: continuous operation autonomous trucks.
  4. Intelligent mining: interoperable mining systems; autonomous and semi-autonomous remote control systems.
- Details on emerging public initiatives focused on exploration & METS suppliers

- Customized business case & business meeting agenda with key local players.
- Financial incentives, taxes, & free trade agreements for doing business in Chile
