# NOW is the time to Invest in Chile

With over US\$ 16 billion in food exports, Chile has become the Latin American hub for food processing & distribution. More than 100 multinationals that have chosen Chile during the last decades prove it.

## Be our next strategic partner!

**Diversity** Protected by our natural barriers & solid institutions that preserve our conditions, we offer unparalleled climatic and geographic diversity: a GMO-free, zoo/phytosanitary paradise.

**Competence** Our international reputation ranked us Top 1 in the Global Food Safety Index & 2nd in the Logistics Performance Index in Latam. That's why food exports keep sophisticating & growing at a steady rate of 8-10%, promising to become Chile's first economic activity.

**Networks** Well-recognized as an export-oriented economy, we have access to 86% global GDP & 4.3 billion consumers. Chile has signed more free trade/tax agreements than anyone on the planet.

How we can help you

## Let's Make your next project happen!

**InvestChile** is the government agency responsible for promoting Chile in the global market as a destination for Foreign Direct Investment. We will provide you with tailor-made, individually focused assistance to facilitate the setting up of your next business operation in Chile.

## Request a meeting with our team
